CANCELLATION POLICY & EARLY TERMINATION

CANCELLATIONS

Free cancellation up to 12 hours before the scheduled dive. Within 12 hours, 50% of the total price will be charged. No-shows are charged in full.

ILLNESS

If you are ill, you can make up missed dives once you are fit to dive, subject to availability during your stay. There is no automatic refund for illness-related cancellations.

PARTIAL CANCELLATION OF DIVE PACKAGES

If fewer dives are completed than booked, the package will be adjusted to the next smaller package plus the actual additional dives. You only pay for dives you have actually done.

EARLY TERMINATION

Dives already started are charged in full if stopped due to personal or health reasons of the diver.

PERSONAL EQUIPMENT

Divers are responsible for ensuring their own equipment is safe and properly maintained. This includes problems caused by the diver's own poorly maintained, unserviced or unchecked equipment.
